

SMS Messaging

1. This campaign allows financial offices and their clients to converse and exchange SMS messages in a legally compliant manner. Message topics may include support, appointment scheduling, account management, informational campaigns, tax related questions, accounting related questions, planning discussions, and general customer interaction. Trade instructions cannot be accepted via text message.
2. You can cancel the SMS messaging at any time. Just text "STOP" to the phone number. After you send the SMS message "STOP" to us, we will send you an SMS message to confirm that you have been unsubscribed. After this, you will no longer receive SMS messages from us. If you want to join again, just let us know as you did the first time and we will start sending SMS messages to you again.
3. If you are experiencing issues with the messaging program you can reply with the keyword HELP for more assistance, or you can get help directly at info@pathwayfd.com.
4. Carriers are not liable for delayed or undelivered messages.
5. As always, message and data rates may apply for any messages sent to you from us and to us from you. You will receive varying message frequency as the messaging is conversational in nature. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.
6. If you have any questions regarding privacy, please read our privacy policy found on our website at pathwayfinancialdesign.com.
